She has a B.A. in Liberal Studies from The Hutchins School at Sonoma State University and taught at San Anselmo Montessori until 2014, when her oldest daughter was diagnosed with Autism at age two. Alicia and her husband live in Novato with their three children Elena (born in 2012), Emma (born in 2016) and Evie (born in 2018). They enjoy hikes, bike rides and spending family time together.

Marin County SELPA Special Education Advisory Committee

The purpose of the Special Education Advisory Committee (SEAC) is to provide school districts with input on the development and implementation of the Local Plan for special education. The SEAC offers a forum for addressing the needs of all students with disabilities. Through participation on the SEAC, members will become informed regarding special education policies and procedures, learn to advocate for the needs of children with disabilities, and have an opportunity to participate in making decisions that impact the delivery of special education services in Marin County.
