<b>Key</b>
Cohort 1 Attends in Person; Cohort 2 Attends Remotely
Cohort 2 Attends in Person; Cohort 1 Attends Remotely
Enrichment Classes / Office hours by appointment - 1:1 or small groups / Asynchronous Learning
Zoom Staff Meeting
Students Determined by Instructional Need Attend in Person, All Other Students Attend Remotely

Asynchronous Learning is the key feature of successful online learning programs. Here, students have the ability to access information, demonstrate what they've learned, and communicate with classmates and instructors on their own time--they don't have to be in the same zoom session to participate. Asynchronous Learning allows flexibility for non-traditional learners and easily accommodates different learning styles.
