Approval of Minutes

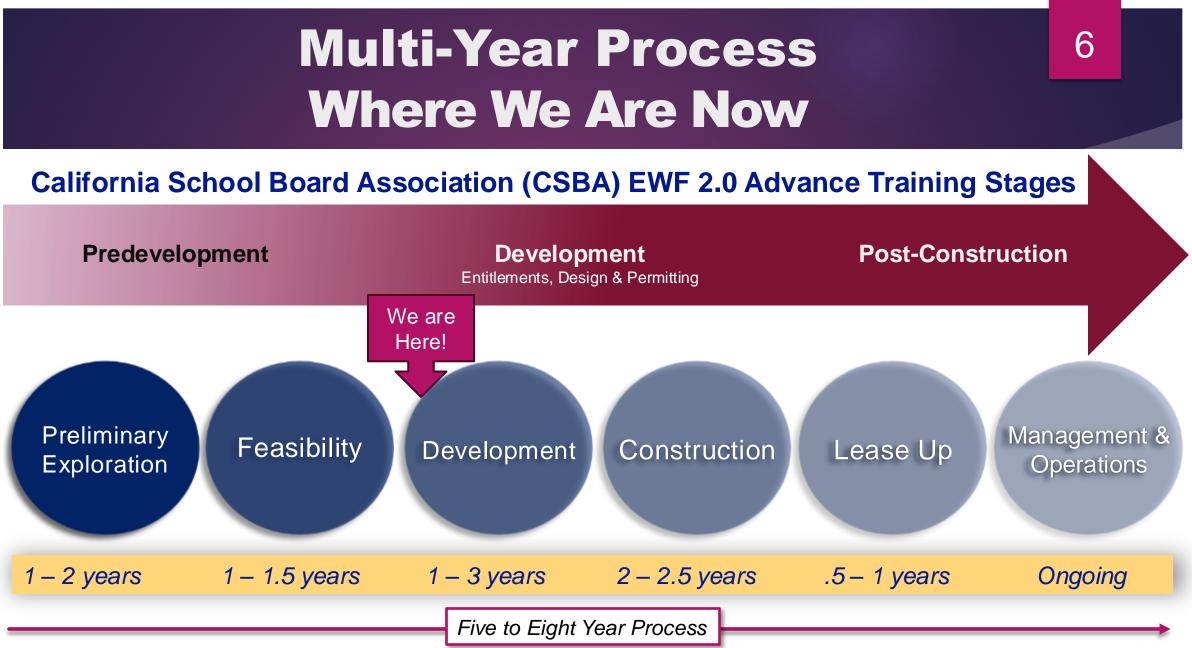

Motion and second to approve the minutes of our last meeting

September 23, 2024

Public Comment

Education Workforce Housing

- Attracts and retains top teaching and support staff, improving education consistency and quality.
- Supports employee well-being and reduces high turnover and staffing shortages.
- Cuts commute times helping to build a sense of community, stability, and continuity.
- Encourages diversity by attracting individuals who may not have considered living in the area, thus enriching the community with a variety of perspectives.

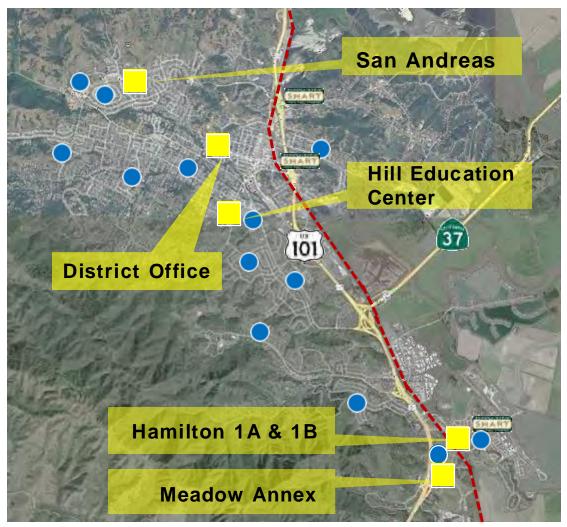

Feasibility Study Site List

NUSD properties under consideration*

- San Andreas Property
- Hill Education Center
- District Office
- Hamilton Property
- Meadow Annex

*FANS and Transportation Center removed from consideration by the Board of Trustees

Recap of Board Direction

- The need for workforce housing is significant and essential for maintaining the quality and consistency of public education in our community.
- Certain sites appear to be stronger candidates than others, but all should remain available for current and future consideration. Prioritize and recommend a sequencing plan.
- The District should maximize the value of its assets by entitling sites instead of selling them off "As-is."
- The Board of Trustees would like to consider increasing the target number of workforce units beyond 190 to 220 units.
- Provide more research on the costs of these projects and the potential financing options.

Development Staging Plan

Four Steps

- Authorize engagement with neighboring and associated organizations to establish an information-sharing process to explore potential involvement in NUSD EWH Projects.
- 2. Formation of EWH Development Team Subcommittees.
 - Pursue entitlement options
 - Exploration of alternative funding sources
- 3. Establish a Surplus Property Facilities Advisory Committee (SPFAC) to formally identify surplus properties and begin the application process for state-required waivers.
- **4.** Develop an ongoing **Communications Plan** to provide updates to the Board and community.

1. Authorize Engagement

1. Charter School

- Met with the Charter School Board of Trustees to assist in developing a Capital Campaign Subcommittee.
- A joint exploratory meeting was held with the library staff, and a second meeting with the library architect is scheduled.
- Additional meetings are being scheduled.

2. Marin County Library

- Met with the Executive Director and administrative staff to discuss funding options.
- The Charter School subcommittee and Library Staff held a joint exploratory meeting, and a second meeting with the Library Architect is scheduled.
- Additional meetings are scheduled.

3. Novato City Staff

- Met with the Director of Community Development to discuss entitlement options and additional meetings pending
- Additional meetings with Planning Division staff are pending.

4. North Bay Children's Center

- Met with the Executive Director to discuss collaboration opportunities.
- Ongoing monthly status meetings with facilities and construction project manager.

Marin County Resales Monthly Home Payment Increase:

The average home price in the Marin County increased by 6.2% from 2021 to 2024. When factoring in home price appreciation and interest rate appreciation, the average monthly housing payment in the Marin County increased by 63.7% from 2021 to 2024.

Case Study: 256 Via La Cumbre, Greenbrae, CA 94904

The 3 bedroom home shown to the right last sold for \$1,190,000 in January 2021. Redfin estimates that its value in 2024 is \$1,813,591, which equates to a 52.4% increase in home value in approximately three years.

When factoring in the rapid increase in mortgage interest rates alone, the monthly owner cost would be 54.2% greater than the ownership cost in 2024 (\$6,157 vs. \$3,993) if this home sold at its 2021 sale price.

When factoring in both home value appreciation and higher interest rates, the monthly mortgage payment would increase by 135.0% (\$9,383 vs. \$3,993).

Case Study: 256 Via La Cumbre, Greenbrae, CA 94904

Note: Monthly home payments assume 30-year fixed rate mortgage and 20% down payment. Property taxes, insurance and maintenance costs were not factored into this analysis.
